

SCREENSHOT

A screenshot of a user authentication interface. The background is a solid blue color. In the center, there is a lighter blue rounded rectangle containing the form elements. At the top of this rectangle, the text "User Authentication" is displayed in a large, white, sans-serif font. Below the title, there are two white input fields with rounded corners. The first field is labeled "Username" in a dark grey font, and the second field is labeled "Password" in a dark grey font. Below these fields, there are two green buttons with rounded corners. The left button is labeled "Register" in white text, and the right button is labeled "Login" in white text.
